

# Let's get involved!

August 17, 2015

Dear Parents,

One of the strengths at Manchester GATE School is our active, involved parents and volunteers. There are MANY ways to be involved in our children's education and experience. Please take a look, put a checkmark by all the items you're interested in, and return to your child's teacher. You will be contacted to arrange and confirm your services at the time that they can be used. THANK YOU for the extra contributions you all make to help Manchester GATE be a great place for our children! Please return to your child's teacher ASAP.
